INDEPENDENT AUDITOR'S REPORT

Board of Directors Buddhist Global Relief

Report on the Financial Statements

I have audited the accompanying financial statements of Buddhist Global Relief (a nonprofit organization), which comprise the statements of financial position as of June 30, 2021 and 2020, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audits. I conducted my audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Buddhist Global Relief as of June 30, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

1. NATURE OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization

Buddhist Global Relief (the "Organization") was established by American Buddhist Scholar-Monk, Ven. Bhikkhu Bodhi and a group of his students on June 23, 2008, and is primarily engaged in raising funds for food relief and related projects from both private donors and philanthropic organizations. It works in partnership with agencies, institutions, and relief organizations already operating on the ground to provide food relief to victims of natural disaster, violent conflict, and drought. In countries stricken by long-term poverty and underdevelopment, it supports projects aimed at developing better long-term methods of food production and management to ensure its beneficiaries a constant supply of food.

A Summary of the Organization's significant accounting policies follows:

Basis of Presentation and Accounting

The accompanying financial statements have been prepared utilizing the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America which require the Foundation to report information regarding its financial position and activities according to the following net asset classifications:

<u>Net assets without donor restrictions</u> – Net assets that are not subject to donor-imposed restrictions and may be expensed for any purpose in performing the objectives of the Foundation. These net assets may be used at the discretion of the Foundation's management and Board of Directors.

<u>Net assets with donor restrictions</u> – Net assets subject to stipulations imposed by donors and grantors. Some restrictions are temporary in nature; those restrictions will be met by actions of the Foundation or by the passage of time. Other restrictions are perpetuity in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without restrictions in the statement of activities. Restricted contributions in which the restrictions are met in the same year are reported as without donor restrictions revenue.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts on assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual amounts could differ from those estimates.
